

FAQ FOR THE BRIDGE PROJECT AUDITIONS

1. When are the Auditions?

In 2018, auditions will be held on Saturday 2nd and Saturday 9th December. The auditions will be conducted in small groups and you will be given a specific time once you have selected your preferred date. Unfortunately, we cannot schedule auditions outside of these audition times.

2. What are you looking for?

We are looking for emerging talent who are genuinely seeking to create a career in the entertainment industry.

3. What do I need to prepare for the audition?

- Please prepare 1 short Shakespearean monologue.
We have provided a suggested list but you are free to do any piece of your choice.
- Plus learn either the male/female role from the scene from WHEN THE RAIN STOPS FALLING by Andrew Bovell.

4. Will I need to do anything else?

- There will also be a short questionnaire for you to fill in regarding any other commitments you may have throughout 2017. So please have any dates you have prior commitments handy, so you can let us know.
- We will take a quick headshot for our records.
- There will be a short interview.
- *Please be aware that your audition may be recorded.*

5. Will there be “Call-Backs”?

Possibly. We may need to “short-list” people and call them back to see how they work all together. We also may need to see people again to finalise decisions. Any call-backs will be conducted in the afternoon of Saturday 9th December. Please make sure you are available if requested.

6. When will I know if I have been successful or not?

We will endeavour to let you know within a few weeks of your audition whether you have been successful or not.
